

SDCN

The largest and fastest professional condenser dryer

Speed Queen presents the only professional condenser dryer on the market able to **dry 8,2 Kg per load, in just 60 minutes**. Get the most of a **unique product for your laundry: easy-to-install, compact, with maximum throughput and the legendary Speed Queen performance.**

Dryers features

- Largest capacity of the market for a condenser dryer (8,2 Kg)
- Fastest drying program on the market: 60 min (3ph) and 95 min (1ph)
- Electrical heating both 3ph and 1ph
- Extra large 6 way-out condensing unit for highest evaporation rate
- Factory equipped with Quantum Gold control and built-in Wi-Fi
- Drying time matches washing time, as similar operational time is a must for optimized throughput.
- Galvanized steel cylinder
- Control 45° front
- Wide door opening of 180° for easy loading and unloading
- 3 year warranty
- No installation cost, no gas escape needed.
